Eden mills united church 150th anniversary Banner Art in the Park - Make your mark!

Eden Mills United Church is celebrating our 150th anniversary and are honoured to have the United Church Moderator Mardi Tindal as our guest speaker, July 17, 2011. She is very interested in the Eden Mills Going Carbon Neutral initiatives and very passionate about the environment as you can see from the following excerpt from her website:

“Moderator Mardi Tindal believes God invites us into wholeness of soul, community, and creation. Loving God, neighbour, and self are possible only when we also love God's good creation. The work of soul, community, and creation converge. A growing [network of people](#) is living this convergence through storytelling, liturgies, practical, and political action.”

We invite interested children and adults to stop by our tent/table when you are at the Park on Earth Day and add your footprint, paint a flower or tree or whatever your creative spirit moves you to do. The banner will be on display at our celebration on July 17, 2011. We look forward to your participation.

Breaking news! get involved update Eden mills on t vo/web

We haven't been given exact times, but it is likely that TVO will be broadcasting a short piece on Eden Mills Going Carbon Neutral around Earth Day and Week. Keep your eyes peeled. If you miss it there, you can see us on-line at <http://www.getinvolved.ca/givideos/eden-mills/> anytime now. You might even see yourself in the crowd in front of the Community Hall which was filmed last summer. The Simons and Littles look like movie stars – great representatives of Eden Mills Going Carbon Neutral. Tell your friends!
